

Glaro

Mirror Brass Drop Boxes

W1056MB

C1056MB

Elegant Mirror Brass **DROP BOXES** with Solid Raised Letters

The ultimate in high quality drop boxes. The rich, mirror polished genuine brass finish is protected with Glaro's special baked clear coating that prevents tarnish and eliminates the need to polish. These attractive indoor drop boxes have solid, three-dimensional mirror brass lettering.

Counter models are designed to safely mount onto any surface with concealed mounting hardware

provided. Wall mounted models have a stately matching back plate, concealed mounting hardware and specially designed spacers that create an attractive floating effect. Floor models have a 14" diameter heavily weighted base and a 1 1/2" diameter post that gives this product a 42" overall height. Each drop box is 6" wide x 7" high x 12" long and all insert slots are 3/8" wide by 4" long.

Drop Boxes

For Keys, Suggestions, Donations, Etc.

Glaro drop boxes provide an elegant, effective and secure solution for the collection of keys, suggestion cards, express check out forms, mail and donations. There are numerous other custom applications as well. Place drop boxes at any convenient location and know that they will be used. The contents can be retrieved at any convenient time, but only by authorized people. All boxes have a security lock with two keys and are available as wall mounted, counter mounted and floor standing models. Every model provides more than 500 cubic inch capacity.

Baked Powder Coat Drop Boxes Are Practical and Versatile!

These are the most diversified and practical locking steel drop boxes available. This durable, all steel drop box is Powder Coated with a choice of 27 finishes. Five different decals are included for versatility, but the locking box can hold almost anything you desire. The clear acetate/black ink decals read, "Suggestions", "Key Drop", "Express Check Out", "Mail Drop", "Comments" and "Donations". Optional factory installed card

holders and imprinted suggestion cards are also available. The 3/8" wide x 4" long slots are carefully positioned so cards always stack neatly inside.

All mounting hardware is securely concealed inside counter and wall models. Floor models have a 14" diameter heavily weighted base, a 1 1/2" diameter post and an overall height of 42".

Each drop box is 6" wide x 7" high x 12" long.
